

TT/minutes/20160302

GENIVI Tools Team Meeting

Participants: Klaus, Philippe, Gunnar and Agustin

Agenda

- Git Strategy, technical discussion (45 min)

Channel

Webex call

Minutes

- Not enough content in the recommendations wiki page. It will keep private to Tools meetings participants until the draft for discussion is ready.
- Background provided to those who did not participate in the previous call.
- Agreed on the need to have another meeting where those who participated on the previous meeting would assist also.
- Agreement on how to proceed.
 - Everybody adds content
 - New meeting to discuss the content on Thursday or Friday
 - Mail to the mailing list to discuss requirements and priorities on Friday the latest.
 - Recommendations for PMO on Tuesday.
- Agreement in separating priorities discussion from requirements discussion
 - Each one of us will add a column to the current table to express opinions about priorities.

Action points

- Everybody to add content in the wiki page
- Agustin to schedule a new meeting
