June 2016: GDP at OpenExpo

OpenExpo is an event in Spain targeting Open Source developers

- Web: <http://www.openexpo.es>
- Participants: 2k aprox.
- Date: June 2nd 2016. Time: 16:40
- Program: <http://www.openexpo.es/openexpo-2016/programa-horario>
- Room: Sala TICJOB
- GDP Talk:
 - Speaker: [Unknown User \(toscalix\)](#)
 - Abstract:
 - Slides / video: [check the slides](#) (in English). No video available since talks were not taped.

April 2016: GDP at 14th AMM

GDP-ivi9 have a strong presence at the GENIVI 14th All Members Meeting ([14th AMM](#)), that takes place in Paris from April 27th to 29th. The following activities are directly or indirectly related with GDP:

- [Hands-on sessions](#)
 - [GDP Hands on Session on RPi2 board.](#)
 - [GDP Hands on Session on Renesas Porter board.](#)
 - Developing User Experiences on GDP (Raspberry Pi2).
 - Application Framework: a practical implementation.
 - How to use GENIVI IVI Layer Management APIs.
 - Developing User Experiences on GDP (Renesas Porter).
- [Talks](#)
 - Baseline Integration Team and GDP - [Introduction and Status/Roadmap](#)
 - Baseline Integration Team and GDP - [Advanced session](#)

Check the [event program](#) for further details about the above sessions, like the schedule and abstracts. Slides and other outcome of the above activities will be collected in the [14th AMM wiki page](#).

April 2016: GDP at ELC 2016

Presentation about GDP-ivi9 at the [Embedded Linux Conference](#) in San Diego, April 2016, organized by the Linux Foundation.

- Date/time: Monday April 4th at 11:40 am (UTC-8)
- [Abstract and speaker's bio](#)
- Presentation [slides](#) in .pdf format and [video](#).

October 2015: GDP at 13th AMM

Please check the [13th AMM section of the GDP at AMM](#) wiki page.

Marketing material

- Check the [social media plan](#) for different releases.
- Check the [resource kit](#), done for GDP'ivi7, including a video and an interview to GENIVI's CEO, Steve Crumb.
