GENIVI Projects:
Collaborative Projects
Code Projects (GENIVI github repository)

Trends Driving GENIVI Work:
Vehicle E/E and software architecture trends
Vehicle cloud computing and connected services

GENIVI Scope:
GENIVI Alliance has expanded its scope beyond delivering an open, Linux-based in-vehicle infotainment platform to help automakers and their suppliers develop standard approaches to integrate multiple operating systems in the central and connected vehicle cockpit and to enhance vehicle connectivity to the cloud.

For more information on engaging in GENIVI, please contact help@genivi.org or visit www.genivi.org.
