

GENIVI All Member Meeting & Coronavirus Outbreak Concerns

The news about the spread of the coronavirus (COVID-19) is changing daily leaving many of us with concern for those infected and for the potential of the virus increasingly affecting our business and personal lives. Rest assured that GENIVI leadership is tracking developments and commits to consistent communication about upcoming gatherings like the GENIVI All Member Meeting, scheduled for 12-14 May 2020 in Leipzig, Germany.

Until GENIVI has reason to postpone or cancel the event, which will be communicated immediately if that decision is made, the All Member meeting will proceed as planned.

GENIVI recognizes that many organizations already have travel restrictions associated with the COVID-19 virus in place and these may become more or less restrictive as time goes on.

Please know that we are monitoring the situation and health notices closely. The health and safety of our members is our highest priority and we will continue to monitor this dynamic situation and communicate any new or significant updates.

Please contact me ([scrumb at genivi dot org](mailto:scrumb@genivi.org)) with any questions or concerns about the upcoming GENIVI All Member meeting or other planned GENIVI gatherings at related industry events.
